## Job Opportunity

### Clinical Therapist

As Department of Mental Health (DMH) providers, we make a difference! Our team provides individual, family and group counseling to at-risk children and families in South Los Angeles. To meet the demands of our community, we provide services in settings that are best for our clients, including schools, their homes and in our offices. We have impact! With our support, our children are better equipped to meet the challenges of the future.

Reporting to the Program Manager of Mental Health, the Clinical Therapist conducts individual, family, and group counseling services for clients and family.

The successful candidate shall have a Masters degree in Social Work, Marriage and Family Therapy, or Psychology or related field; with one (1) year of experience in mental health or other counseling services; must be registered with Board of Behavioral Science (BBS) and have a BBS number. DMH experience preferred. Class C driver license, automobile, and evidence of automobile liability insurance required; Good oral and written communication skills; Proficiency in English/Spanish may be required.
